BIO

Her recent editorial work has included i-D magazine, Dazed & Confused Korea, Tatler and she has collaborated on a diverse range of work, from Armani's fashion show to Eurostar's 'Da Vinci Code' cinema campaign to a short film for Show Studio.

Valentina loves the expression, freedom and possibilities that make up provides, from a flawless skin to a complete transformation.

Her passion for research and love of different cultures, mixing materials and colours, always brings a stylish, elegant and modern edge to her work with her attention to detail, talent and professionalism.
